4. Lis le texte en anglais et réponds aux questions en anglais.

Once upon a time there was a girl named Kate. She was curious, sensitive, and wise beyond her age. Her younger brothers and sister looked up to her and thought she knew the answers to everything. Kate's parents had taught her to celebrate life, be kind to friends, be respectful of teachers, and **always, always to stick up for your *family***.

"Family" was a big deal in Kate's home. In fact, every Sunday Kate and her brothers and sister visited their grandparents. **Kate felt lucky to have the grandparents she had.** Her grandmother was kind and very funny. In the summer she loved to look for mermaids in the ocean or build sand castles for princesses, and when she went swimming, she always wore a bathing cap with big, bright flowers on it. When Kate took long walks with her, she talked about her "conversations with the angels." Kate though her grandma was so cool.

Task 1: Give all the adjectives you can find in the text to describe the grandmother.

Task 2: Give a title to the passage. Choose the one that best applies to this extract.

1) The day grandmother died.
2) The best grandmother ever!
3) Grandmother and I are going on a holiday.

Task 3: True or false? Justify all your answers by quoting the text in the example.

Example: Once upon a time there was a girl named Anny.	**False**. "Once upon a time there was a girl called Kate. "
Kate's brothers and sisters admire her.	
The grandmother was a mean and sad person.	
In the summer, Kate's grandmother loved swimming long distances.
