Read this text about Amber Brown, an American 9 year old girl who's going to visit London soon with her aunt.

Answer the questions in English:

First stop ... London, England. Amber Brown in London, England. I like the way that sounds. I wonder if I'll come back with an English accent. I wonder if I'll meet any kings or queens when I visit their castles, and I wonder if they'll let me try on their crowns.

I wonder what it's going to be like to spend two weeks alone with my Aunt Pam in a foreign country. I know that there is this amazing clock in London named Big Ben... and I wonder if there is also a Small Ben, a Medium Ben, and an Extra-Large Ben.

Second stop... Paris, France. I'll stay with my dad and Aunt Pam will stay with her friends. I, Amber Brown, am one excited kid.

"Amber, honey." My mother walks into my bedroom and puts a pile of clothes on the bed. "This is the last time we pack your bag. I'm serious."

Falling on my bed, she lies down next to my bag and says "I'm sad that you are going, but I hope that you are going to have a great time in London... and by the way, try to be tidy when you stay with your Aunt Pam."

I go to school in London, my favorite subjects are math and history. Do you like school ? I hope one day to visit France, I think the language is really cool. I can't speak French very well yet, but I'm learning.
